Dear Friends,

Your continued support of Still Serving Veterans (SSV) throughout 2020 has inspired us to persevere and innovate in spite of the many challenges we are all facing. Together we served over 2,000 Veterans and their families, providing hope for a better future.

SSV's counselors, whom are themselves Veterans, provide practical and tailored advice for navigating the often-challenging path to finding rewarding work that provides food for the soul, as well as the table. If you know of a Veteran in transition, unemployed, under-employed or just looking for a more fulfilling career, please send them to us. We will take good care of them and there is never a charge for our services.

Thank you for being a part of our 15-year history of service. Together we are accomplishing our mission to help Veterans and their families build meaningful lives while strengthening our communities.
